PAYMENT OF DEFICIENCY UNDER 37 CFR 1.28(c)

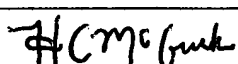

SIR:

Pursuant to the provisions of 37 CFR 1.28(c) and MPEP Section 509.3(X), a payment is being made for fees paid as a small entity for the above identified patent since its original filing. At the time the previous payments were made, it is believed that the small entity fees were appropriate. However, an adjustment in all the fees is now being made, so that they are being paid as large entity fees. The patent holder is doing so diligently and out of an abundance of caution. Attached is an itemization of the four fees paid as a small entity, the current fees due, and the total deficiency owed.
